Report of Trustees

OF GRAFTON FREE PUBLIC LIBRARY.

It is very gratifying to us that we can report the condition of the Library to be as good as could be wished for.

The State's very liberal offer of one hundred dollars worth of books;—provided the town would raise twenty-five dollars annually, for the purpose of purchasing additional books; and also, defray all necessary expenses for the maintainance of the library, and providing a suitable place for the same—was accepted. A fine list of books have been received from the State, and the volumes have been placed in suitable cabinets. Grafton Public Library Association also, presented the town with over two hundred nice volumes with cabinet. These two generous donations constitute the extent of the Library at present numbering over three hundred volumes.

A very convenient place has been procured in a small building beside Mr. Cross' dwelling house, at the "depot". The room is carpeted, and furnished with a stove, and is made very comfortable.

The hours when books may be obtained are Wednesday's from 1 to 4 p. m. and Saturday's from 1 to 3 and 7 to 8 p. m.

There is fifty dollars in the Treasurer's hands, which can be used for the purchase of new books at any time, and the outlook for our Library is of the best.
